

Scout

Program Providers

**Earn an OC Wild
Wilderness Lover patch
by attending five
programs at five
OC Wild locations!**

The following is a list of Orange County federal, state, county and city wilderness land managers and non-profit organizations who offer opportunities for scouting groups. Organizations listed as providing scout programs offer structured badge programs, OR help scout groups with requirements on a case-by-case basis. Many organizations also provide opportunities for scouts to volunteer.

About Orange County Wild

Orange County Wild's mission is to educate the public about the importance of preserving, protecting, and enhancing our wildland forest, park and reserve resources from the mountains to the Pacific. OC Wild is a coalition of Orange County wilderness land managers and stewards dedicated to increasing interest in Orange County parks and reserves. Through its support of public programs, Orange County Wild hopes to prepare California's children for their role as stewards of our public lands.

About the Passport Program

The passport program invites participants to attend interpretive programs at five different OC Wild facilities. Once they have completed all five programs and received signatures from each location, the Passport is redeemable for an Orange County Wildlands Lover patch. All completed passports will be entered into a drawing for prizes on Earth Day each year. The passport is available at www.orangecountywild.org, and at participating parks and wilderness reserves.
